Scots of Canada Member Program Fund Application - 2025

The Member Program Fund is designed to support and encourage member group activities and participation.

Matching funds of up to $250 per member event are available after approval of an application for Not-For-Profit events aligned with Scots of Canada's objectives during the 2024 fiscal year. Expenditures are matched at a 50% basis. For example a $400 expenditure is matched with $200. A $500 or over expenditure is matched at the maximum of $250. All amounts are in CAD.

One or more member organizations are required to be explicitly involved in this event. For annual events, a new application would be required each fiscal year.

The distribution of monies in the fund will be assessed and decided upon by the Member Program Fund Committee or, if not formed and active then, by the SoC Board of Directors.

Pre-approval in principle for funding of the event requires this application to be submitted by the member or members a minimum of seven (7) days prior to the event. Inclusion of Scots of Canada's banner or other means of showing SoC support in advertising, media and during the event is expected along with an expenses budget to substantiate the request.

For those events that are approved, payment will occur only after the activity ends and SoC is provided with the substanitiating documents such as receipts.

Note that a cap of overall funds available is set for each fiscal year. Applications are reviewed on a first come first served basis.

SoC expects a post-event summary of the activity as an article and photos for publishing in the An Drochaid newsletter. The article should include information regarding the success of the event and how SoC support aided in the outcome. This will be provided in combination with any other content being published for the member(s) being sponsored.

Please visit https://www.scotscanada.ca/en/resources/memberprogramfund for more and the latest information on the program and/or contact events@scotsofcanada.ca with your questions.

To apply, complete the application on page 2 and email to board@scotsofcanada.ca.
